## WE GOOFED!

Dear Tails,

I know you won't print my letter but you're the coolest kid in the world. I want to be just like you. It must be cool to fly. You should have your own mini-series and regular series.

I think you should print the way the FREEDOM FIGHTERS met SONIC. (I already know how SONIC meets TAILS).

I have all the SONIC toys, comics and I watch the show everyday. I just got SONIC #10. I think you should have one of the FREEDOM FIGHTERS get turned into a ROBOT FOREVER...NOT!!!

YOUR NUMBER ONE  
TAILS FAN,  
JEREMY TUCKER  
REPUBLIC, MO

Hey, Jeremy--You're right!  
We're not going to print your  
letter...NOT!!!

Dear SONIC-GRAMS,

I am a really big fan of yours, and will continue to be for a long time. I am really interested in helping you develop

ever since Paul Castiglia turned over the editorial reins of Sonic to yours truly, it's been a little chaotic in our mutual offices. Now that we're back on track, we realized that we somehow left off the credits to issue eleven's story, "Beat the Clock". So, without further ado: Script--Marvelous Mike Kanterovich & Creative Ken Penders; Pencils--Daring Dave Manak; Inks--Artful Art Mawhinney. You can stop crying guys, we didn't forget you!

new "Freedom Fighters". I have invented three new characters, one of which is from Sonic 3. The characters are Knuckles, Basher and Tara. In addition, I have made up a new robot enemy called X-Veager. I am wondering if there will ever be SONIC THE HEDGEHOG action figures. You don't have to print this in your magazine, but I would appreciate it if you would answer my question. Until later--STAY COOL!

Your biggest fan,  
Brent Randel  
Liberty, TX

C'mon Brent, with such a great letter at hand, we just had to print it! SEGA has informed me that a Sonic Air Hockey game is in the works with no official release date. Keeping checking your favorite toy store over the next few months. And here's a word from Knuckles: "Listen wise-guy, you didn't create me--those guys at Sega did!"
